

April 3, 2017

Dear Families,

On April 18, 2017, *West Langley Elementary School* will be hosting a Ready Set Learn Program from 6-7 pm in our library. This **free** program is designed to help families make early connections with their neighbourhood school while gaining good information about how to support their young child's early learning. The theme for this session will be Music, Movement and Me.

This event is open to all families of PRE-SCHOOL aged children, 3 and 4 years old. **Families are required to register/RSVP with the school** (604-888-6444) so that we have adequate food, materials and take home supplies. Parents will be given resources, information and ideas about how to support their child. Parents and children will participate together in playful and meaningful learning activities.

If you have friends or neighbours with pre-school aged children, please let them know about this event. If you are unable to attend this session at *West Langley Elementary*, you are welcome to attend at other schools. The schedule is our school district web site:

*[www.sd35.bc.ca/](http://www.sd35.bc.ca/) and click on Parents & Students, then Early Learning, then Ready, Set Learn Programs.*

We hope to see you and your child at Ready Set Learn!

Yours truly,
