What do I need to know?

1. **Valentine's Day Cards:** While it is a long standing tradition to exchange Valentine cards at West Langley, due to health and safety guidelines, we are asking families to not send cards or treats to school. Teachers and classes will do seasonal activities to celebrate which will follow our COVID-19 protocols. Thank you for your understanding. We appreciate everyone's support and efforts helping is adhere to guidelines set out by the Provincial Health Officer and School District which help reduce the risk of exposures in school.
2. **Kindergarten Registration:** The process for this year's Kindergarten Registration has changed. Please see the section titled Kindergarten Registration 2021-2022 for more information.
3. **Daily Health Check Reminder:** Health and safety remain our top priority. A reminder to please be sure to review the daily health check form at the following link. Click [here](#)
4. **Weather Reminder:** We live on the West Coast and it rains – a lot! Students should be prepared with rain gear (boots, coats, umbrellas, change of clothes, etc.) as we will be going outside unless there are exceptional weather circumstances.
5. **When parents/guardians need to come to the building:** If you need to visit us in person, we ask that all parents/guardians wait outside at the front door – please do not enter the building. If we miss you, please call us at 604-888-6444 and we will come to help you. Thank you for your cooperation.
6. **Masks:** While masks are not mandatory at elementary school, we are encouraging our older students to please wear masks in common spaces such as hallways and washrooms. We do still have a limited number of reusable masks in the office for students. If your child would like one, they can come to office to request one. Thank you to everyone for doing a great job following our health and safety protocols.

Foundational Skills Assessment (FSA) – Change of Administration Dates

The BC Ministry of Education has adjusted the administration dates for this year's Foundation Skills Assessment (FSA). All Langley students in grades 4 and 7 will now complete the FSA in the new administration window between February 15 and March 12, 2021. Information on the exact dates students will write their FSA's will be provided by your child's classroom teacher in the coming weeks. Parents of students in grade 4 and 7 would have received a letter in September from Gord Stewart, Superintendent of Langley Schools, regarding the annual Foundation Skills Assessment (FSA) for the 2020/2021 school year. The letter indicated that this year's FSA would be administered between October 5 and November 13, 2020. Middle Years Development Instrument (MDI)

THE MIDDLE YEARS DEVELOPMENT INSTRUMENT (MDI) IS COMING TO YOUR SCHOOL IN JANUARY/FEBRUARY!

HUMAN
EARLY LEARNING
PARTNERSHIP

The Langley School District has partnered with the Human Early Learning Partnership (HELP) at the University of British Columbia to measure and promote children's social and emotional development, health, well-being, and assets through the Middle Year Development Instrument (MDI). The Middle Years Development Instrument (MDI) is a self-report questionnaire that asks

children in middle childhood about their thoughts, feelings and experiences. The MDI is the first survey of its kind to gather information about the lives of children both in school, in the home and in the community, from their own perspective. The survey questions align with the BC Ministry of Education's K-12 curriculum, which includes a focus on promoting children's personal and social competencies.

Grade 5,6 and 8 students are invited to complete the MDI during class time between: February 5th and March 5th, 2021.

For more information and to view the questionnaires:

If you don't want your child to participate please contact your child's teacher, fill out the withdrawal form at the end of the parent/guardian informed passive consent letter, or contact the MDI project staff at mdi@help.ubc.ca. The Parent Letter will be emailed to families in grade 5 and 6 by the end of next week.

Information About School Status During Inclement Weather?

Snow closures and power outages are an annual occurrence in Langley School District. So, where do you go to get information about the status of schools during periods of inclement weather? If you are able to access the internet via computer or smartphone, current information about Langley schools can be accessed on all school websites or www.sd35.bc.ca. Updates are also posted to Twitter @LangleySchools and Facebook at www.facebook.com/langleyschooldistrict. If you don't have internet connectivity but your phone is working, call a relative or friend in an area that has not been affected by the storm and ask them to check the district website for you. Local radio stations are also informed of school status in Langley. Tune in to CKWX 1130AM, CKNW 980AM, Country Radio 107.1FM, Pulse 107.7 or CBC 690AM or 88.1FM for updates.

Please note that Langley District schools are all considered 'open' until a decision to close is required. Decisions on school closures are usually made by 6:30am. As always, it is a parent's decision whether to send their child to school based on safety and individual circumstances. If you feel it is unsafe for you or your child to travel to or attend an open school for any reason, please keep your child home and report an absence to the school.
